PARTNERSHIP with

NEUROSTYLE

A professional photograph of a medical consultation. A young, dark-skinned female doctor with short brown hair is smiling warmly at an older man with grey hair. She is wearing a white medical coat over a light blue top. A stethoscope hangs around her neck. The older man, seen from the side, has his back to the camera and is wearing a light-colored shirt. They appear to be in a clinical setting with a window in the background.

Helping people get access to a

better future

LEAVING A --- **LEGACY**

Allowing More Medical and Healthcare Institutions
Gain access to quality neurological devices

**“REAL PROGRESS
happens only when
Advantages
of a new technology become
AVAILABLE to EVERYBODY”**

-Henry Ford
